

JUDGING MATERIALS

<http://www.middleschooldebate.com/resources/documents/MSPDP.Teachers.Guide.pdf>

This is a link to the teacher's guide that I use a lot. I tried to copy and paste some of the pages from it but lost the formatting. Here are some of the pages that the judges would be interested in and especially new ones. They must read this stuff.

For the judges:

Pages 15-17, 68, 71-79

Some of the stuff that I give the debaters can be found in these pages. It has an explanation of AREs and forms of refutation, POIs, etc.

For the debaters:

Page 17-19, 22-28, 58-59, 52-56

In addition, the link below takes you to the Mafiq website that explains the format. However the first three pages are irrelevant (Last year schedule topics etc) and it also states that we will have 3 prelim rounds. Otherwise it gives a detailed explanation of the format. It would be great if Fatima and Adam read this also. Again tried to copy only the relevant stuff but lost formatting. Perhaps you will have more success.

Finally, the judges and again esp the new ones need to watch this video on Ban Boxing and the judges comments.

BAN BOXING VIDEO

IF possible please view a debate before our meeting. Link below. This debate is a sample debate and it will save us a lot of time in discussing format etc, especially for the new judges. The topic is BAN BOXING. IF you have the time you may view the judges comments as well to give an idea how you may comment after your debates.

Also please go through a few documents that are on our website. Here is the link.

Please go over the following items:

We will be reviewing some of them in the orientation but it would be very useful if you have already skimmed through them. Either way please have access to them in the orientation. So if you are not in front of a computer/ipad etc, do print them out.
